HOW TO USE THIS CATALOG

Welcome to **Kisa's Limitless Creations Customer Blank Apparel Catalog**.

We've selected a variety of high-quality garments to make it easier to choose the right blank for your custom apparel. Whether you're ordering for a business, school, church, organization, team, family event, or special occasion, this catalog will help you compare styles and select garments that suit your customization needs.

Each product includes available sizes, color choices, key garment features, and KLC recommendations to help guide your selection.

UNDERSTANDING KLC RECOMMENDATIONS

EMBROIDERY RECOMMENDED

A strong choice for embroidered names, monograms, business logos, organization logos, and other stitched designs.

DTF RECOMMENDED

Well-suited for Direct-to-Film (DTF) printing. A great choice for colorful artwork, detailed graphics, photographs, event designs, and larger printed designs.

EMBROIDERY & DTF

Suitable for both embroidery and DTF printing. Your KLC representative can help you determine which decoration method will work best for your design and garment selection.

KLC PREFERRED BLANK

One of KLC's recommended garments based on its overall combination of quality, appearance, versatility, and suitability for customization.

BEST VALUE

A dependable, budget-friendly garment that provides a good balance of quality and affordability. Ideal for larger groups, events, organizations, teams, and customers working within a specific budget.

PREMIUM CHOICE

An upgraded garment offering features such as premium fabric, enhanced comfort, improved fit, performance properties, or a more polished professional appearance.

CHOOSING THE RIGHT GARMENT

Not every garment is ideal for every design. Fabric type, garment weight, design size, stitch density, artwork detail, and the intended use of the garment can affect whether **embroidery or DTF printing** is the better choice.

Please consult KLC before selecting embroidery for lightweight garments or designs requiring large or dense areas of stitching.

COLORS & AVAILABILITY

The color circles shown with each product represent available color options for that garment.

Product colors, sizes, and availability may change based on manufacturer and distributor inventory. Actual garment colors may also vary slightly from printed or digital catalog images.

KLC will confirm product availability before your order is finalized.

DON'T SEE EXACTLY WHAT YOU NEED?

This catalog represents a **curated selection of KLC-recommended blank apparel**. It is not a complete list of all the garments available to us.

If you need a different style, color, size, fabric, fit, or garment type, please ask.

Additional apparel options may be available upon request.
